

This is the supply list for Crazy Quilt embellishing your Blocks.

If you are going to embellish with your sewing machine bring: Any color threads that will accent your blocks. Sulky or that type of threads will work fine. Bring two bobbins full, the color of your background. A new Embroidary Needle.

For those who want to embellish by hand bring: Embroidary thread, needles and a thimble. Your block color will determine the colors needed. You can use all the same colors or mix them.

I will have some patterns and charts for you to follow, if needed. It is fun to use beads, buttons, lace, etc. You can make your blocks as plain or fancy as you want. I know you have great ideas, so think BIG!

See you Tuesday....Lucymarie
