

Materials for Zipper Pouch

1 fat quarter for exterior of pouch

1 fat quarter for lining fabric

½ yd. medium weight fusible interfacing

One 9" zipper (Marji has black zippers)

Thread

Glue stick (Suzanne has some available)

You will need a sewing machine and a zipper foot.

Prep if you plan to make a pouch the day of the demo:

From each exterior fabric, lining fabric, and interfacing cut. . .

10 x 6 in. rectangle (pouch back)

10 x 4 in. rectangle (pouch front lower)

10 x 2.5 in. rectangle (pouch front upper)

From lining fabric, also cut a 3in.x 4in. rectangle for the strap.

Apply fusible interfacing to the wrong side of each corresponding exterior piece.
