

Travel Tray Supply List

You can make these trays in all kinds of sizes and square or rectangular. For demo purposes we'll make a 9x12 one.

- Outside fabric: 9" x 12"
- Thin batting: 9" x 12"
- Inside fabric: 9" x 12" : should be a lighter color so you can see your 'stuff' when it's in the tray
- Velcro strips (I will provide the velcro strips)
- Sewing machine, supplies, thread, scissors, etc.
- Either a free motion foot or a walking foot for quilting the inner tray area
- ruler, fabric marker that will disappear or wash out
