

## June 2025 block of the month

### Disappearing 9 Patch

This block builds on what we've been doing the past few months

Materials : 2 1/2 inch squares

4 white or white on white

1 pure blue

4 different pure primary or secondary colors

Process:

Make a 9 patch as you did in April

Blue in the center

White in the middle of each row and column

Other colors in each corner

Press away from the white and twirl your

Intersecting seams

Slice the block right down the middle both

Vertically and horizontally

(The cuts will be 1 inch from each white

Seam line)

Turn the top right and bottom left pieces 180 Degrees and reassemble
