

Stair Steps

Assemble:

- (8) 2" x 5" **background** rectangles (leftover from the last clue)
- (8) 3-1/2" x 2" **background** rectangles leftover from the last clue)
- (8) 2" **background** squares
- (16) 2" **red** squares

Make 4

Sew a 2" red square to one end of all the 2" x 5" rectangles. Press to the dark.

Sew a 2" red square to one end of all the 3-1/2" x 2" rectangles. Press to the dark. Sew a 2" background square to the red square of all these units, again pressing to the dark.

Sew these strips together in groups of two, using pins to keep the block seams at the intersections flat. Press. Use these groups to create the block shown at the top of the page. Press and square up to 6-1/2" if necessary.
